A little room to think.

Make this page your own. Your notes are saved as you go.

01 TRY YOUR PEN

Write a thought, circle a word, or sketch an idea below.

02 GET COMFORTABLE

Pen or mouse: draw. Touch: scroll and pinch to zoom.

Eraser removes a whole stroke. Undo brings it right back.

Use the Hand tool to drag the page with your mouse.

Go back to your documents, then reopen to see your notes.

Your original PDF stays untouched.

Let an idea take shape.

A blank page for the next thought.
